

Memo to Volunteers

As a proactive method of dealing with the COVID-19 virus we are asking all volunteers to use the following procedures:

1. Please wash your hands with soap, for a minimum of 20 seconds.
2. Please wash your hands before starting your shift, before handling any food, after handling raw food, after handling waste, after cleaning duties, after using the toilet, after blowing your nose, sneezing or coughing, after touching your face, after eating, drinking or smoking, before handling clean dishes and utensils and after handling dirty dishes and cutlery.
3. Please stay home if you or anyone in your household is ill with any kind of sickness. If you are unsure if you should stay home please see the [Healthlinks](#) website.
4. Disinfect frequently touched surfaces at least twice per day.

At this time there will be no need to sign in for your shift.
